

FAR continued distribution of medical equipment and supplies received within the framework its **humanitarian aid** component.

Recently 5 pallets (received via UAF 155 Airlift) with huge amount of medical supplies were donated to **Republican Burn Center, ArtMed Medical Center, Eghegnadzor Medical Center, Dilidjan Medical Center, Yerevan State Medical University clinics and Republican TB Dispensary.**

This donation is really in time and necessary support to Armenian hospitals particularly regarding the current financial difficulties with their budgets.
